DESCRIPTION

PC Tutor™ is computer training at its finest – fast and easy and an effective way to learn Windows Vista and Microsoft Office 2007. This innovative courseware will engage and motivate you with interesting lessons and fun practice exercises every step of the way. The result is knowledge you're more likely to retain – and put to practical use.

You'll take advantage of proven methods that teach you the facts that matter most – at a pace that's right for you. There's no easier or more enjoyable way to improve your computer skills and learn Windows Vista and Office 2007.

With PC Tutor, you'll...

- **Learn topics** in the optimal order and at a pace that maximizes your comprehension.
- **Choose** from Standard, Slideshow or Practice mode, making tutorials as easy or challenging as you'd like.
- **Test your skills** every step of the way with PC Tutor's innovative *Scenarios*.

Topics Include:

- **Microsoft Windows Vista**
- **Microsoft Office 2007:**
 - Word
 - Excel
 - PowerPoint
 - Access
 - Outlook
